

Registration for 2010

Although we did experience some growing pains with closing our registrations at an earlier date last year we did accomplish our goal of building teams sooner so that everyone could get onto the field sooner. We will again be closing registrations for this season so please be aware that the date that registrations close is March 13th, 2010. We will however hold names of those who are late to register on a waiting list and they will be contacted pending numbers required to build more teams.

Registration dates for 2010

are as follows;

Malborough Mall Walmart

From 10 am to 4pm

Feb 6th & 7th/10

Feb 20th & 21st/10

Feb 27th & 28th/10

North East Sports Facility

9am to 1pm

Mar 6th/10 & 13th/10

Calgary East Little League Office

7pm to 9pm

Mar 3rd/10 & Mar 9/10 & Mar 11th/10

After these dates your name will be held but we cannot guarantee that we will have enough players to build additional teams so register early to ensure your spot.

Any returning player who brings a friend to our league will receive \$25.00 off their fees when their friend registers with them.

If you have questions regarding registrations please call Linda @ 403 248-4118

Spring Training 2010

For the third year in a row we will be offering a spring training program. This program will once again be held at the North East Sports Facility which is located behind Home Depot on 36th St NE. This year our two days camp will be run by members of the Okotoks JDawgs

and some of their coaches. This event will help to work some tired muscles while learning valuable skills to start our season off on the right foot. We will have more information regarding spring training at registration events. Although this event is not mandatory it is

strongly suggested as it will help get the players ready for evaluations as well as the season.

Special points of interest:

- Watch for flyers advertising registration dates mid January 2010.
- We are going to try a new form of fundraising this year so watch for our Fun Night Information.
- Together we can make this league everything we want it to be.

Coaches

This season we have decided to try something new to better support our coaches. We have put in place a coaching coordinator whose sole job will be to recruit and support our coaches during our upcoming season. Dwayne Morphet has agreed to take on this position so will be contacting past

coaches in the near future to find out things he can help with to enable them to excel as a coach for Calgary East Little League. If you have not coached for us before but are interested please call Dwayne at 403 966-6916.

Volunteers

In the past few years we have been advised that we could use our volunteers more. We ask that everyone who is registering this season fill out the volunteer portion of the forms and ensure all information is correct as it is one of our goals this season to get

more of our parents involved in the daily operations of our league. If you would like to volunteer prior to registration please call Tracey @ 403 235-1673

It has been proven that volunteerism makes every organization better!

Calgary East Little League Junior Umpire Program

This season we have decided that we will have our Umpire in Chief be available to support and educate our Jr Umpires to enable them to become the best umpires they can. Kelvin Wudrich has agreed to take on this role and will be coordinating training for all of our umpires as well as orga-

nizing meetings to discuss plays, issues and other ideas to help improve the program. If you are 13 years or older and interested in becoming an umpire for Calgary East and supplementing your summer income by being paid for these games please call Kelvin @ 403 852-9625

Fundraising

This season we would like to try and send teams from AAA/ National and up to a tournament of their choice. In order to do this we will need to do some fundraising to offset the costs to the parents. We require someone who has knowledge of various fundraising

ideas and is willing to coordinate these options so that we can get started on our Fundraising as soon as or before our season starts. If you have great ideas or a good at organizing fundraisers please call Tracey @ 403 235-1673

PLAYER EVALUATIONS

We will once again be holding player evaluations at the North East Sports Facility on March 20th and

27th, 2010. We will have more information as to

times for each level at registration events or you can

Our goal is to create a fun atmosphere where children can learn the benefits of team sport!

Calgary East Little League 2nd Annual Meet and Greet

We will be holding our 2nd annual meet and greet at the Penbrooke Meadows Community Hall on April 10th, 2010 from 7pm to 12am. All parents are encouraged to come out and get to know some of the other parents who have their chil-

dren in our league. Together we can create a strong sense of community and belong for our children by getting to know others with similar interests to our own. By getting to know the faces of other parents and the executive prior to the be-

ginning of the season it will help not only ourselves but our children feel a sense of belonging and comfort upon which we can start our season.

The executive looks forward to seeing everyone there.

1st Annual Calgary East Little League Fun Night Fundraiser

We will be hosting our 1st Annual Fun Night Fundraiser on April 24th, 2010 from 7pm to 12am at the Penbrooke Community Hall @ 6100 Penbrooke Dr SE. This night will be a games night format with various team games and activities as well as silent auctions and door prizes. We are hoping to raise funds to help send teams to a tournament of their choice this season so

support of this event will help our children immensely. Tickets for this event will be \$10.00 and will be available for sale at registration events and spring training.

Please encourage family and friends to come out and support this event as with great attendance we could raise enough in one night to give us a great start to the tournament fund.

If you have any donations for door prizes or silent auction items please let our executive know and we will coordinate the collection of these items.

There will be a light meal served at this event as well so if you would like to donate something for this please let us know.

For Donations please call Linda @ 403 248-4118
